.....

*Dyna-Flow Corporation has earned the service industry-coveted 2013 Angie's List Super Service Award, an honor awarded annually to approximately 5 percent of all the companies rated on Angie's List, the nation's leading provider of consumer reviews on local service companies.*

*"Mike, Dyna-Flow's president, came out to see the project and had a quote for us the same day. His professionalism, knowledge, timeline and pricing all contributed to us choosing Dyna-Flow. We contracted for the roof repairs/replacement and new siding for the entire house. From tearoff to the finished product the crew was sensational. They were always on time, cleaned up at the end of each day and communicated to us what was going to be done each day." The Wagners*

*"It's a select group of companies rated on Angie's List that can claim the exemplary customer service record of being a Super Service Award winner," said Angie's List Founder Angie Hicks. "Our standards for the Super Service Award are quite high. The fact that Dyna-Flow Corporation earned this recognition speaks volumes about its dedication providing great service to its customers."*

*Angie's List Super Service Award 2013 winners have met strict eligibility requirements, including earning a minimum number of reports, an excellent rating from their customers and abiding by Angie's List operational guidelines.*
